Nine Years Of Dedication

Mrs. Tonin

To the average student at De La Salle, the office staff is infrequently seen and rarely heard. Often this is a condition of status quo enforced by both the staff and the students.

In the case of Mrs. Tonin, the usual peak of student-staff contact is an envelope deposited into a small chute labeled "Tuition Drop". This is unfortunate.

In her nine years here at De La Salle, Mrs. Tonin has made a valuable contribution to the running of the school. For those who know her well, this experience has made her a cheerful and interesting person.

As financial secretary she handles tuition matters, budget expenditures and all the practical monetary dealings of the school, a large job which she carries out in an efficient and dedicated manner. During her many years as a member of the office staff, Mrs. Tonin has had ample opportunity to observe the growth and changes of our school.

Hopefully, her presence will continue to grace the office for many years.

Br. John Nunes F.S.C.

It is my personal axiom of education that we learn through the books we read and the people we know. Thus it always strikes me as a deep loss when we lose someone among us who still has a great deal to teach. Br. John Nunes was such a person.

His first stay at Da La Salle was as assistant principal. More recently he came to our campus in the fall of 1976 as bookstore manager, person in charge of architectural development and eventually principal.

Due to an unfortunate illness, Br. John was forced to resign early in this school year. He has now taken on less strenuous duties and is in good health. We wish him the very best for the future and give thanks for the time he spent among us.

Would that it had been longer.

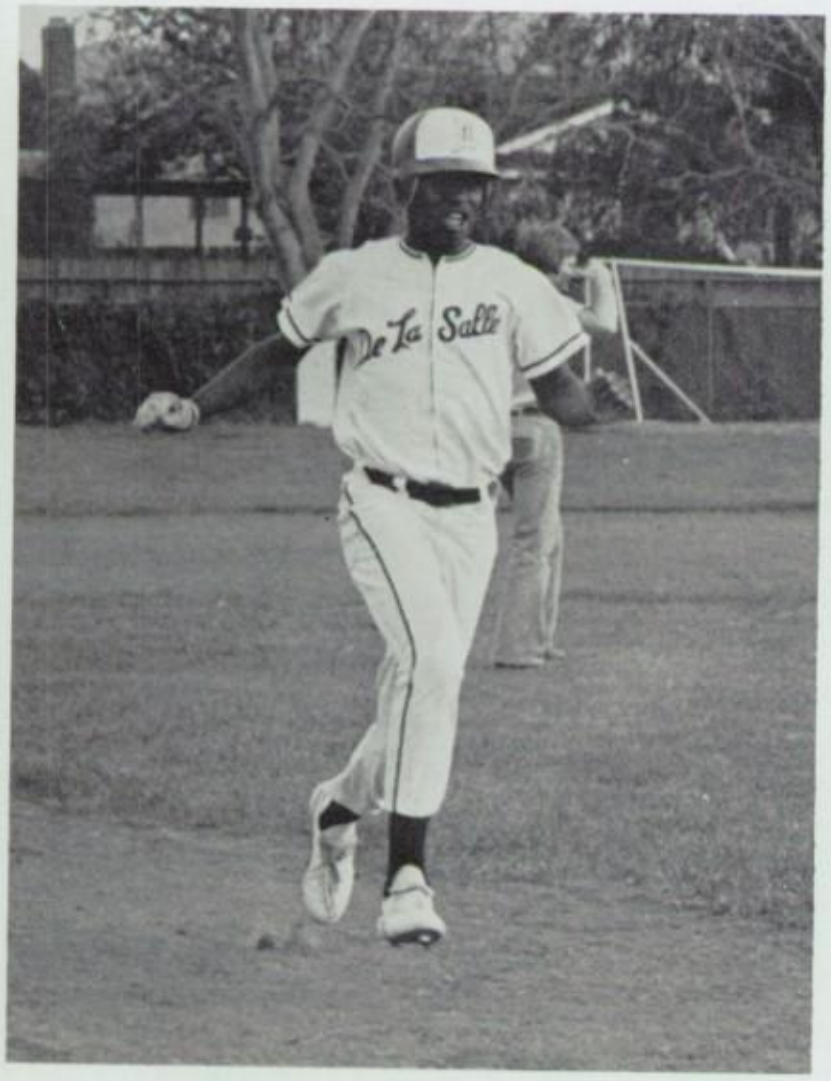
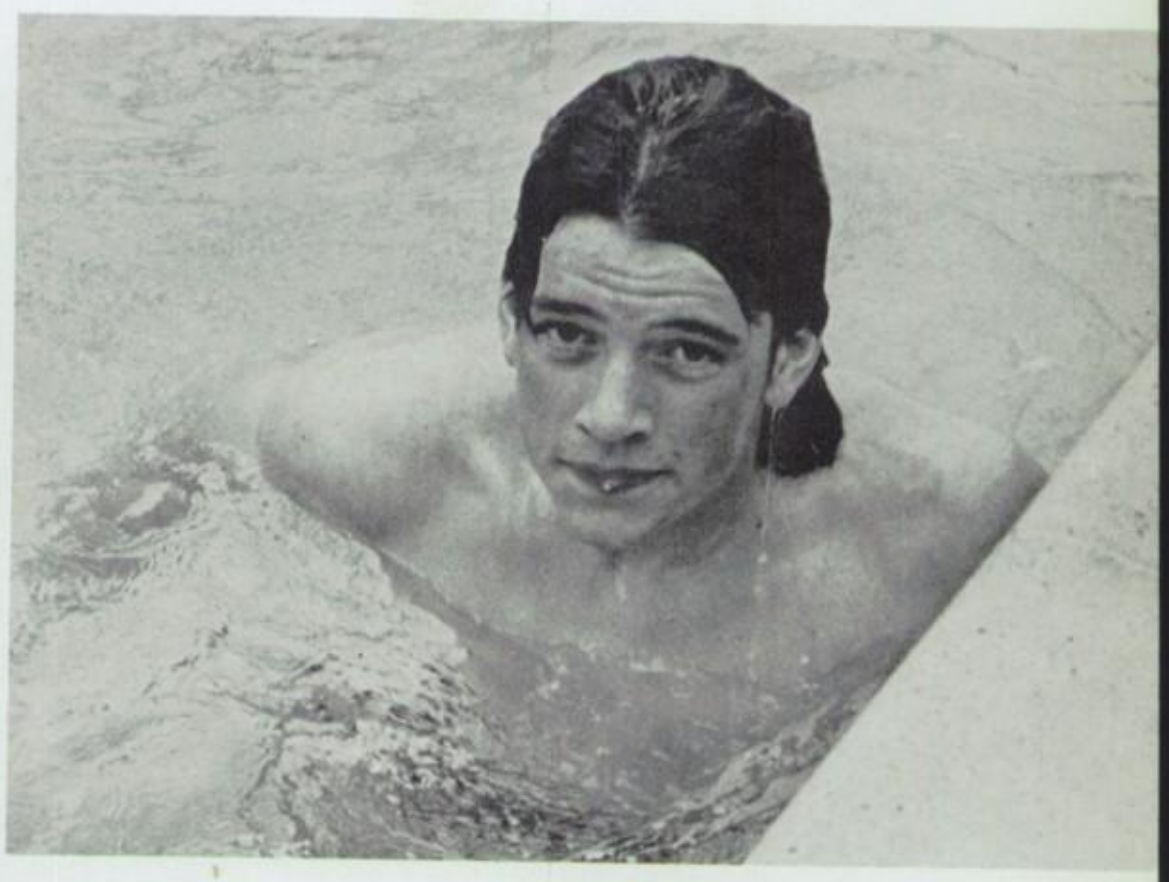
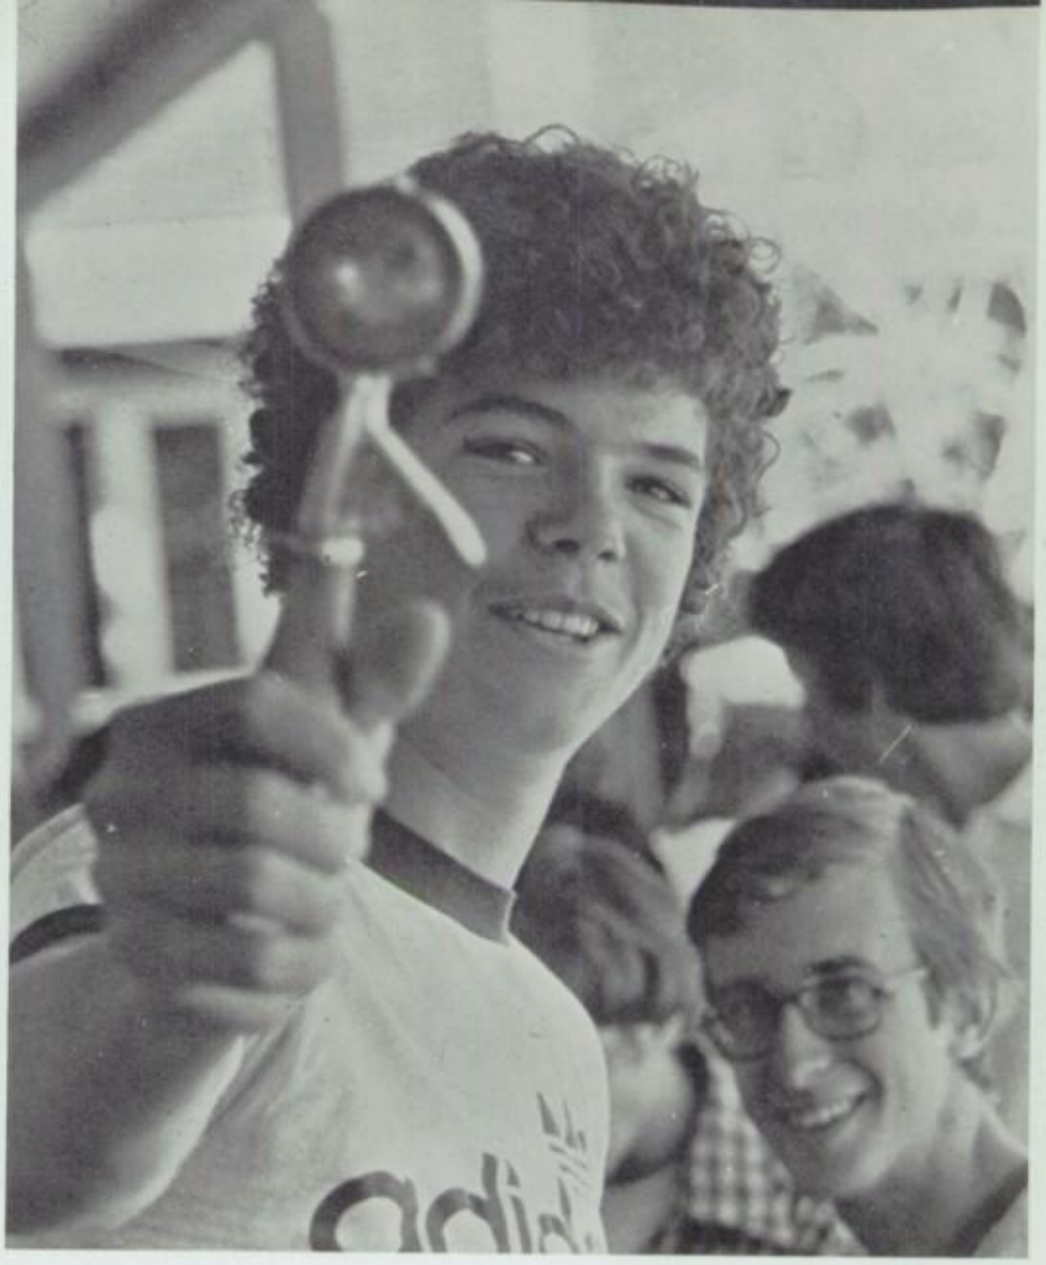
Freshmen
Class Of 1981





Frosh Orientation: A Beginning

The senior and junior class sponsored frosh orientation resulted in the total humiliation of the class of '78. After an introduction to their teachers, moderator and recently elected student body officers, the frosh enthusiastically participated in several competitive field events. The highlight of the morning appeared to be the freshman defeat of the senior class in several events. The frosh tug-of-war team, anchored by big Frank Lombardo, easily outlasted the senior team time after time. Once the earth ball stopped bouncing and the water balloons ceased flying, the junior class treated the frosh to their first "safe" meal in the DLS cafeteria.



DLS/CHS Frosh Ice Cream Social

The freshmen celebrated the new school year with their first joint DLS/CHS social activity, the Frosh Ice Cream Social. Prior to the album raffle, which took place at the conclusion of the social, ice cream was distributed by student council members from the junior and senior classes. The objective of the social was for the new freshmen of each school to become acquainted with the new freshmen of the opposite school. The accomplishment of this objective proved to be the most enjoyable aspect of the entire event.

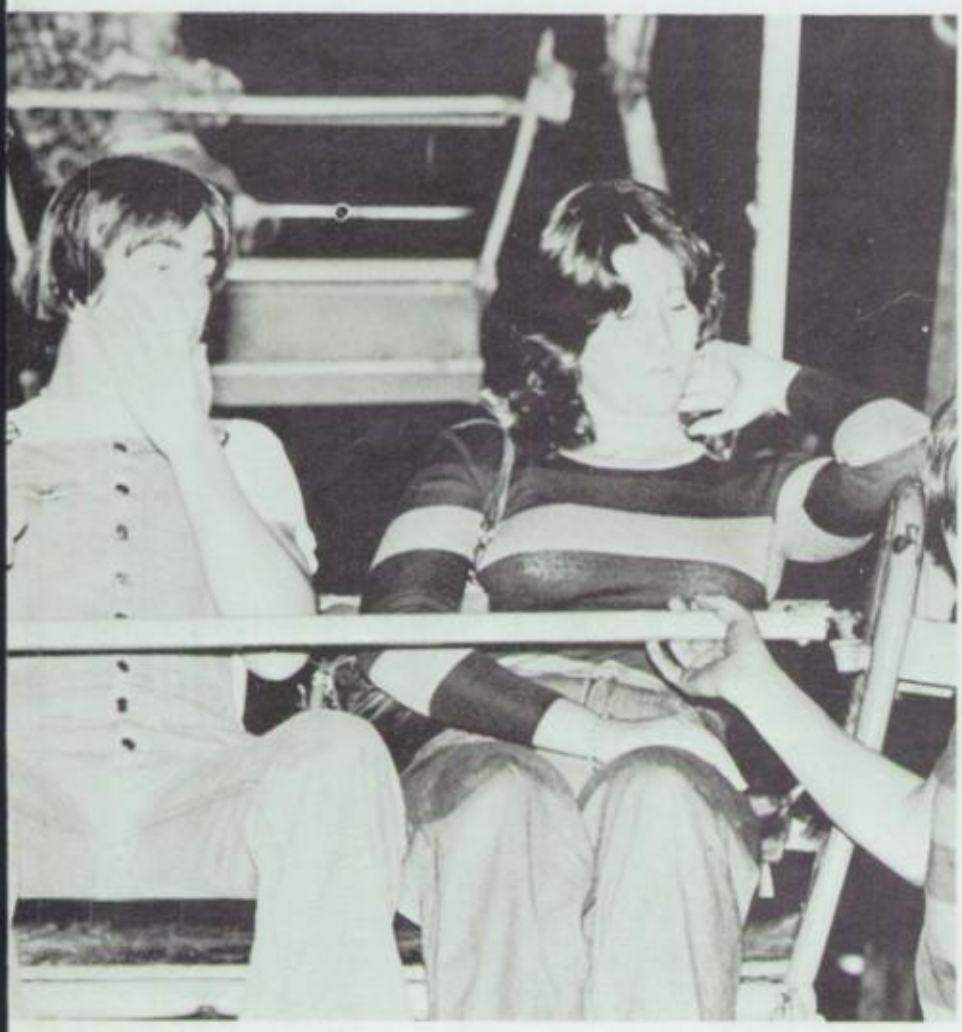
Warm Welcome For Frosh

The '78 Frosh Welcome Dance was basically intended to introduce the incoming freshmen of CHS and DLS to their first major High School event.

The senior class earned almost $600 on the event, as virtually every member of the student bodies of both campuses were present.

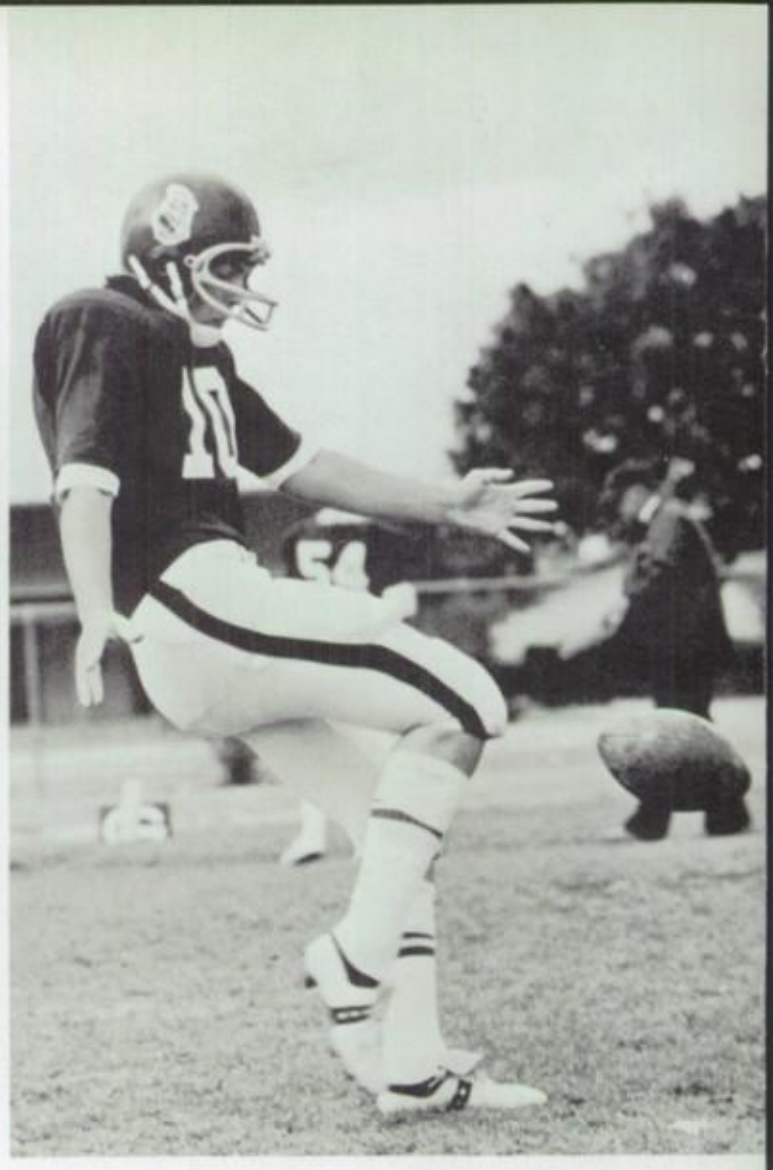
The freshmen were invited to attend both the dance and the Frosh Ice Cream Social held after school in the same week to encourage the creation of new friendships.

DCS Fall Festival Success?



Class Of "78"
"Blitzed It"
With 109%

As the class of '78 graduates and years roll by, not many will remember the names of the indomitable Serafinos, this year's chairmen of the Fall Festival, nor the energetic student chairmen, Brian Serafino and Mark O'Leary; but all shall proudly remember the class that "blitzed it" through four consecutive years. Spearheaded by the perrenial ticket champ Greg Spyrow, the seniors produced the perfect finale for their unblemished record. The financial results were insignificant in respect to the cooperation and enthusiasm so openly exhibited in unifying the diverse student body, faculty and parents into a single entity, thereby realizing many of the intricate goals and objectives of De La Salle and its philosophies. Continuing with the individual determination and personal dedication typical of this Student Body, the 1978 Fall Festival should be a total success as well as a financial Bonanza.



Strong Defense Not Enough For Varsity

The '78 Varsity Football squad failed to muster sufficient offense to produce a respectable title surge. Although the defense was by far the best in the league, injuries to quarterbacks Taylor and Gonzalez prevented the offense from efficiently supporting the performances of receiver John Mullen and all-league running-back Kevin Flaherty.

Despite a 1-4 league record, Coach Hall's Varsity played well in every attempt. Early season losses to Acalanes (10-7) and the CAL champs, Moreau, failed to dampen the Spartan's spirit as they proceeded to tie Las Lomas (7-7).

Just as the offense began to "See the light" with a smashing victory over Bishop O'Dowd, injuries to key players prevented the Spartans from defeating St. Pats and St. Mary's.

Hard-Hitting J.V.'s Take Third

After a .500 pre season and an early season loss to Moreau, the "heavy hitting" JV's managed to go 3-1 for the remainder of the season.

Quarterbacks Tony Barraco and Kevin Heaney consistently managed to gain valuable ground by connecting with tight-end Randy Smith all season long.

In addition to a strong passing attack, power back Chuck Young ran well enough to stimulate interest in next year's varsity running attack.

Although this year's varsity defense was excellent, the addition of Ray Gallagher, Mike Walsh and Rich Alden to the varsity could give DLS the title it well deserves!

Frustrated Freshmen Look Toward Next Season

Although their record showed otherwise, the freshman football team proved to be an extremely impressive club, which showed a great deal of varsity potential. Stricken by crucial injuries, this team persisted in carrying on the Spartan tradition of "trying your best". Coaches Kelley and Quirico succeeded in directing the frustrated club around narrow losses and toward visions of a successful season with their new coaches next year. Running back Paul Gronemeyer created much of the offensive excitement, and gave the fans a reason to hope for next year.

Although the shouts of "Scalp the Chiefs" and "Dead Fish Stink" have died down, the memories implanted by coach Willumson's "Run and Gun Show" live on. Much of the excitement centered around "Slick" Eggers and senior John Diegnan, who by season's end was ranked in the top fifty of the U.S. high school basketball players.

The highlight of the season was obviously the season final. Hundreds of screaming fans witnessed the total humiliation of Salesian. Matt Ferrari and Johnny "D" led three other seniors, Bruce Wagner, Mark O'Leary and John Prochaska, past the Chiefs by a score of 83-71. Willumson will surely miss Ferrari's play making, Diegnan's "never give up attitude" and Wagner's free throw percentage (86%). This loss is counteracted by one man; frosh guard Sam Delamar. Sam carried away the fans virtually every game with his quick moves and smooth jumpers.

The combination of Egger's bombs, Delamar's moves and Calloway's consistency should surprise opponents next season. Many hold a dismal outlook toward next season, with the lose of Johnny "D", but most aren't aware of the potential of the three big men (Pahonick, Digirolamo and Krieshok). "Rebound" could very well be the word for next year.

Although the '78 JV team consisted mainly of members of the extremely talented '77 Frosh team, they were unable to win more than two league games. Juniors Rick Russell, John Martinez and Rick McGovern, however, were outstanding at both ends of the court and will be a welcome addition to next year's varsity. Sophs Chris Stangel, Dave Diquattro and Matt Costello all played well, with Stengel averaging 13.3 pts. per game.

Jim Mallamo, perhaps the most underrated player in the league, scored 16 pts. against St. Liz's and 17 against St. Joe's.

Coach Jerry Klenow should be commended for his excellent attitude and dedication. It is hoped that next year's "cliff hangers" will turn his way.

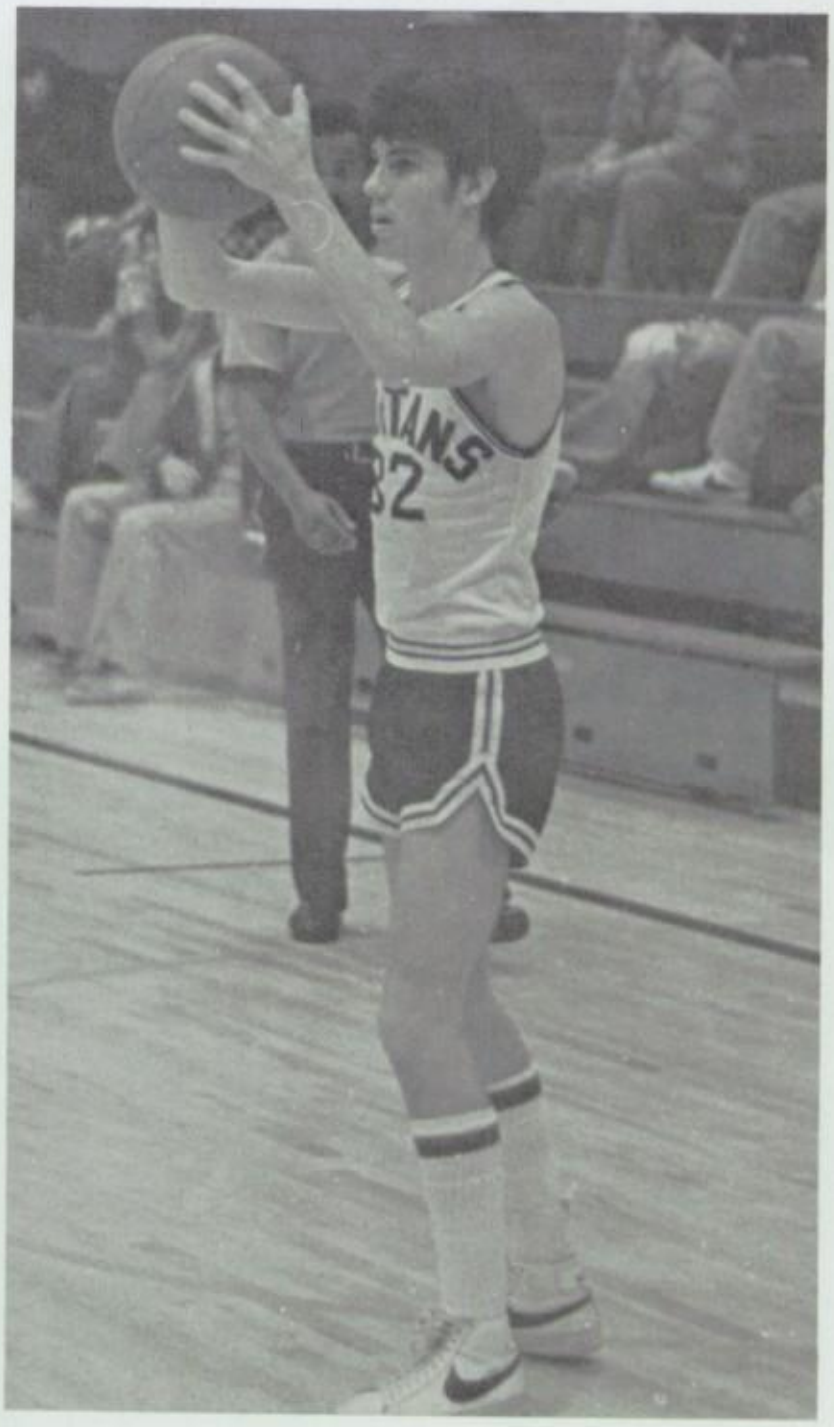
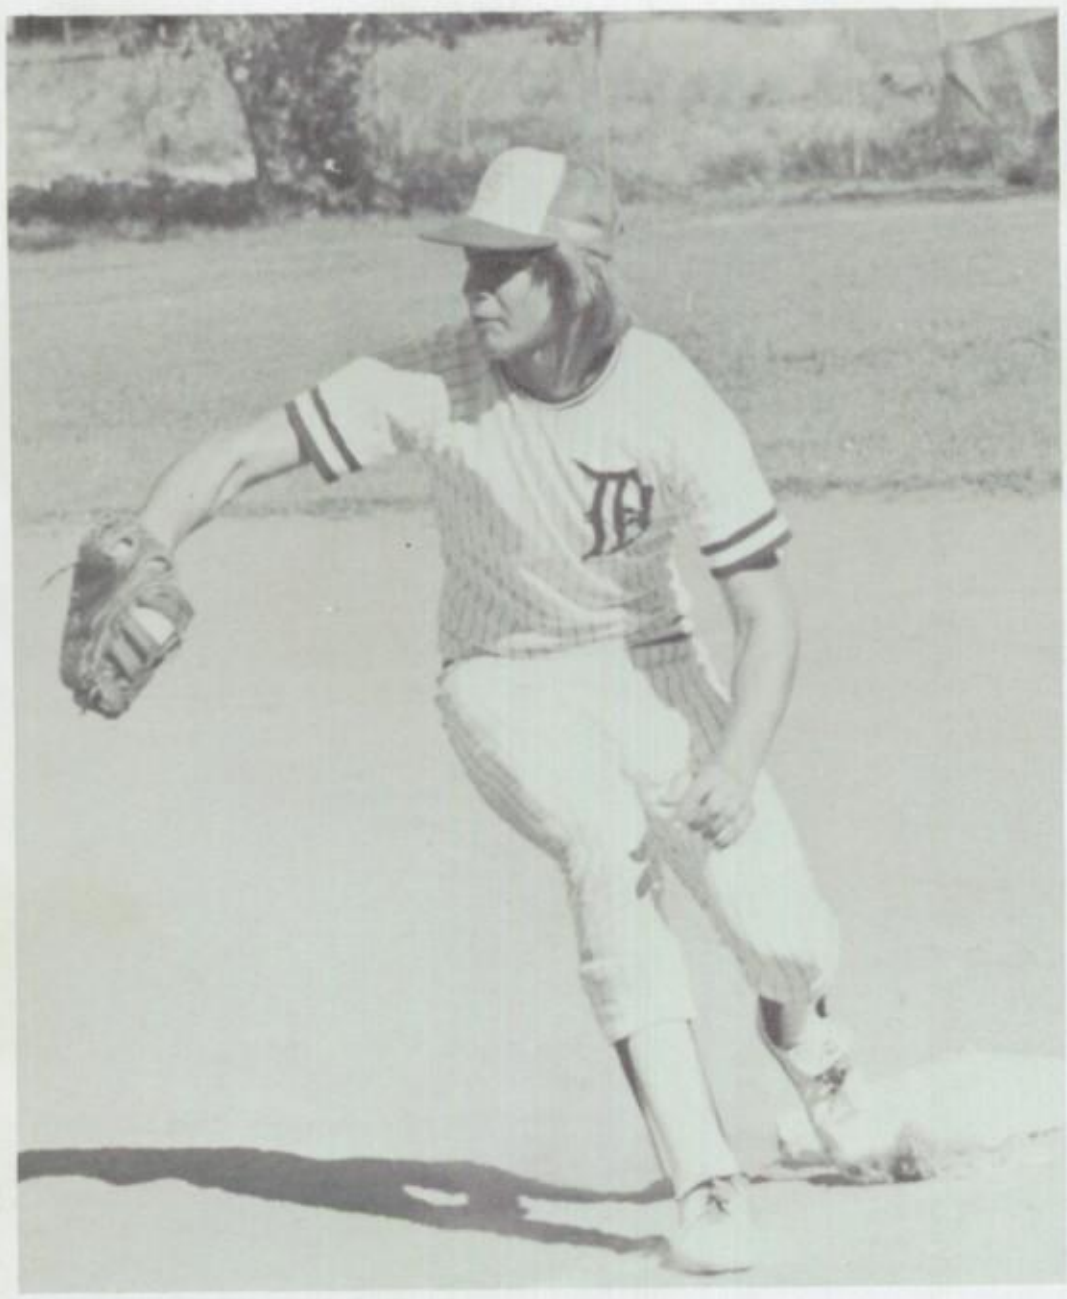
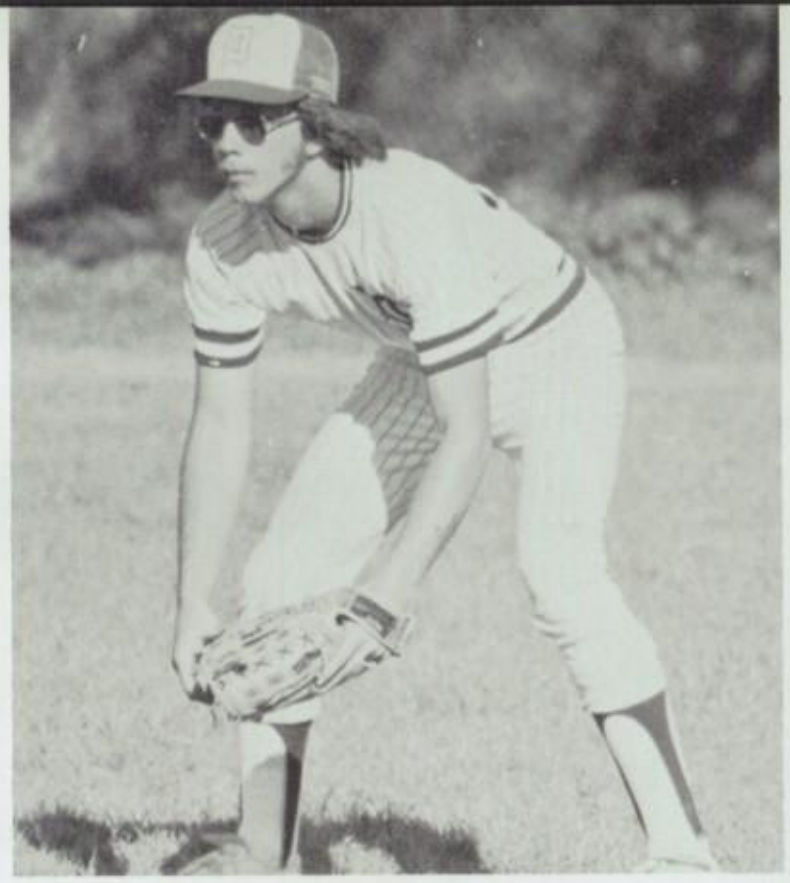
An early season obervation of the frosh team would have led one to believe that they would follow a path similar to other DLS B-ball teams. However, under the direction of first year coach Mike Heim, the spartababes drastically improved to become the dominant of the three DLS teams.

The season highlight appeared to be a one point set-back by league champs St. Mary's, who had previously slaughtered DLS by 28 points. All leaguers Mike Prochaska and Jim Fisher caused many to hope that their combination with Sam De Lamar could reward DLS with its long awaited varsity title.







Chuckle's Crew Tops East Bay Poll! Narrowly Lose In North Coast Semi-Finals

For the second straight year, Chuck Lafferty piloted the Varsity Spartans to a CAL championship and into the North Coast play-offs. Last year the Spartans died in the first round. After obtaining talent from the JV and Freshmen teams, they advanced to the semifinals.

Two of the players moved up from Gary Abono's 77 Frosh team made the 78 Varsity all-league list, Short stop Matt Castello and Pitcher Tonno Lazzio were impressive; with Lazzio going (12-1) and accepting the "CAL player of the year award."

Junior Dave Digirolomo (.444) and Tony Barraco (.350) received honorable mention certificates. Rob Gibbons followed in his older brother's foot steps by collecting all-league honors and spreading terror at the plate and on the bases. Seniors Curly Lynch and Kevin Flaherty were more than awesome in the infield. Matt Ferrari was abviously the best center fielder in the league; he has the all-league medal to show for it. The contribution of pitchers Tim Burke (4-2), Matt Taylor (4-1) and Dean Cogliati (4 saves) can't be sufficiently measured. Good luck next year CHUCKLES! You'll need it!

Well-Conditioned JV's Snare Catholic Crown For Second Straight Time

A combination of position hitting, strong defense and consistant pitching bought Gary Abono his second straight CAL title. The performance of Monty Reuling, the best defensive first baseman in the league, was overshadowed by the "No-hit" pitching of Chris Stengal and the solid mound work of lefty Denise Sweeney.

The freshman club was heavy with good pitching and strong hitting. Competing against sophomores, pitchers Gainey (5-0) and Bartimioli were extremely impressive. Chris Gibbons (.449), Steve Gonzalez (.419), Bill Lopes (.333) and Chris Crespi (hit .600 most of season) demolished opposing pitchers.

Defense was not scarce on the team either. Second bagger Bill Deitsch and short stop Rob Lambert continually "shut down" the opposition. Left fielder Bill Sneider must also be commended for his strong arm and his vicious bat.

Undefeated Varsity Captures C.A.L. Crown Ranked Second In East Bay

The base for a new D.L.S. sports dynasty has been soundly established. This year's Varsity Soccer squad crushed the CAL with a perfect 10-0 season record; a repeat of last season's glory. Recovering from the loss of a fine coach, Br. Keith Chapman, the Spartans wasted no time in procuring an equal talented skipper. Jan Thyring took over and followed the D.L.S. victory march with an extremely talented team. The key to success this season was an effective defense. Leading the defense were seniors Vince Renaud, Buddy Serafino, Kevin Maloney and solidified by the omnipresent underclassmen. Fullback Mark Giovinetti matched up with goalie Paul Groenemayer to virtually shutdown CAL opposition by allowing only five goals and therefore earning them a place in the CAL team. Defense was only half of the story as the Spartan's offense, led by All Leaguers Matt Kelley and Phil Figone, often proved unstoppable. These two supported by Fred Skillman and Dan Sequeira made the domination complete. A team that placed four on the All League first team and five on the Honorable Mention Squad has definitely earned the awe and respect they have achieved. Hopefully this awesome team can return to the poetic form of the two previous years.

JV's Snatched From The Jaws Of Defeat To Go 1-6-1

After narrow losses to Sacred Heart and Berkeley, the JV's were able to "get their act together' and go undefeated the final 2 games of the season. Although there was obvious individual talent on the team, the outstanding organization of Dublin, Livermore and Amador proved too much for Mullane's crew. Had the JV's had the opportunity to compete in a non-existant CAL league, they would obviously have fared well. The school owes the JV program a great deal, since it provides the Varsity with fundamentally sound players who win championships.

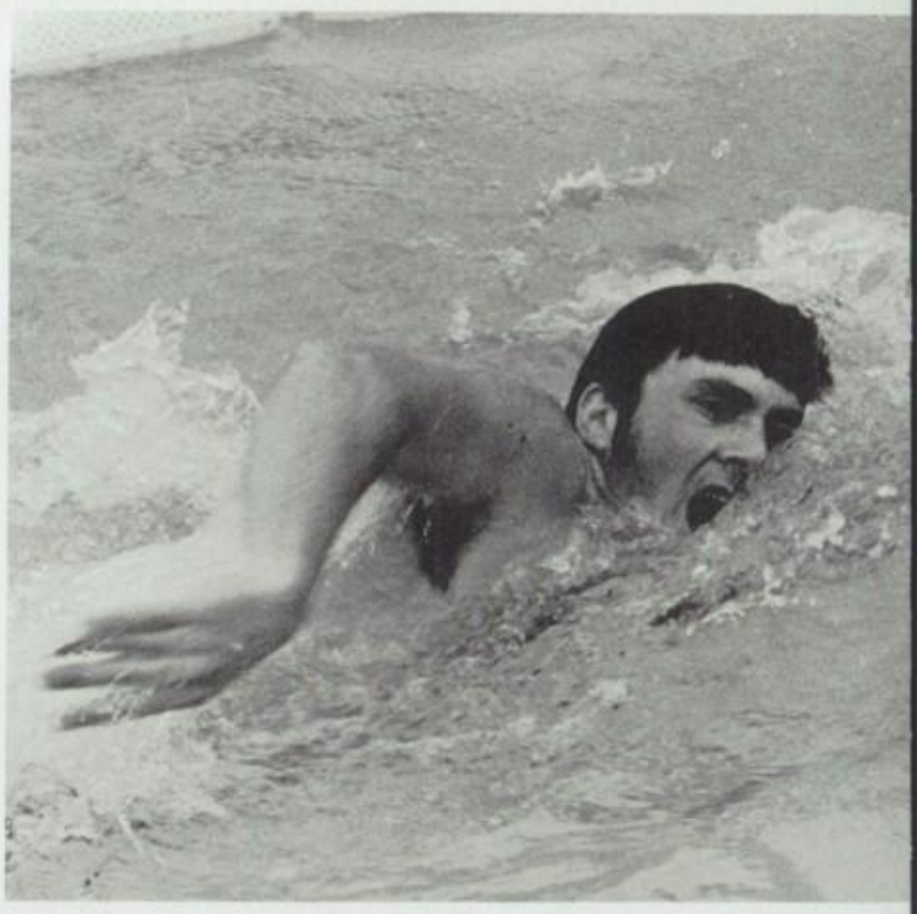
Joe Stocking, whose name is usually associated with DLS track, successfully rejuvenated a varsity team hampered by the lose of Paul Burke and coach Ron Stazskow.

Seniors Scott Molina and Dan Devlin led a talented varsity squad to its 2nd straight undefeated season. Frank Blankenburg and Mario Wolfskill, also seniors, added greatly to the varsity's life time record of 241-76-2. Stocking possesses the nucleus for strong varsity in the following years, with juniors Brian MacMahon and Eric Sargeson showing extremely competitive form through-out the season.

Similar to the varsity, the jv and novice divisions easily outlasted league rivals. Jeff Peterson and Dan Wanket caused many to feel confident that DLS will surely retain the varsity title next season. Shouts of "IMUA" shall haunt league rivals for years to come.



O'Dowd Halts Title Surge Once Again! Swimmers Take Second

Coach Gerard's swim team was, for the second straight time, unable to mount an attack on the awesome O'Dowd Dragon club. They did, however, demolish many public school teams. The 200 (med) relay team of Mark De Marco, Pete McNamara, Frank Driscoll and Paul Gerard were honored by swimming in the North Coast relays. Under classmen "Tippy" Martinez, Tom Kelly and Greg Lafayette will be remaining to hopefully return to North Coast for a second time. The swim program will certainly miss Mark De Marco's freestyle, Paul Gerard's backstroke and Mark deBettencourt's "never quit" attitude.

The '78 tennis team can be summed up in one word, "powerhouse". The only two team losses were due to the absence of key players. John Mc Kenna finished with a 7-4 personal record. Track Takes Crowns

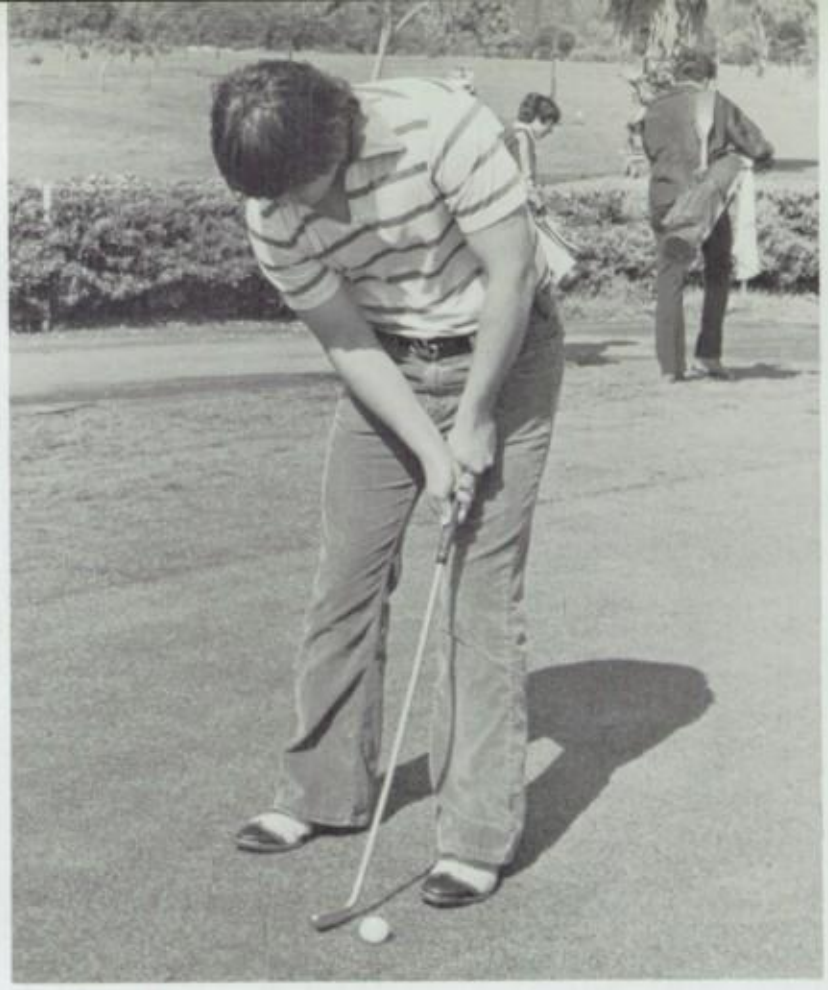
After a one year absence from DLS, the JV and Varsity Track crowns have returned to their rightful owners. Freshmen Jim Fischer and Chris Prielo were a major factor in the JV's success. Both broke school records. Rob McLean was also extremely consistant in the pole vaulting department.

Senior Mike Clark went to North Coast for the varsity after breaking numerous local discus records. Jim Teicheira was undefeated in the 220 and was an athlete of the year nominee. Pat Shurr and John Connolly were outstanding high jumpers all season long. Shurr also won numerous awards for his pole vaulting performances.

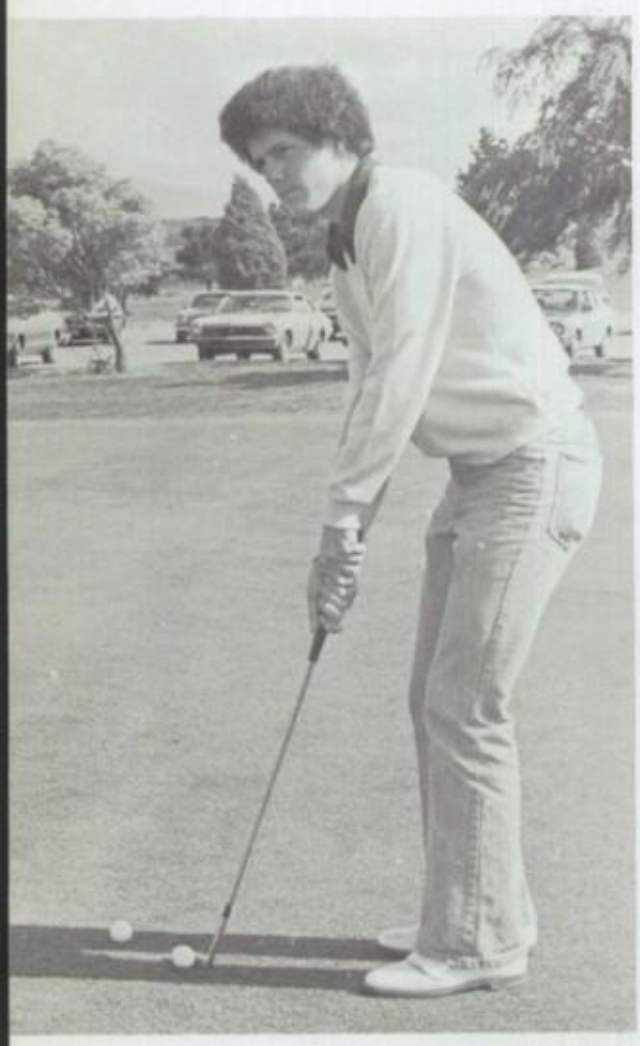
L-R Mr. Al Claiborne, Rick Balderamos, Vesty Enea, James Mallamo, Terrance Gainey, John Heckenlively, Mike Loscavio, Vince Renaud, Mike Kren. Missing: John Connell.

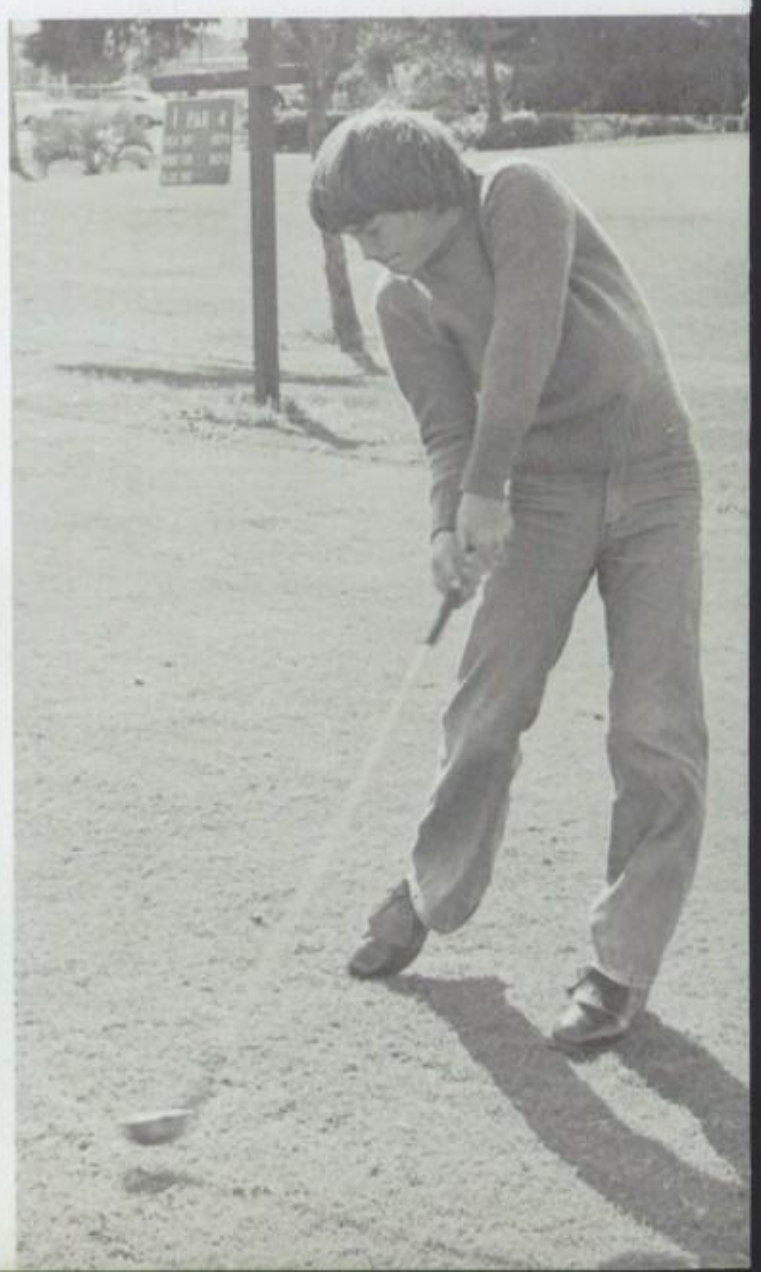
Golf Ranked In East Bay, But Stumble In League Play



Despite a 7-0 preseason mark and a ranking in the East Bay, the Spartans lacked confidence in their opening matches and concluded with a 3-5 league record. The highlight of the season appeared to be a record-setting defeat of Salesian.

Juniors Vesty Enea and T. F. Gainey as well as frosh Mike Kren were not able to consistantly backup the performances of MVP's Vince Renaud and John Heckenlively. The even-tempered swing of Vesty Enea will definitely lead the team next year. Future title hopes rest on the shoulders of Kren and Connell; Both having the potential to capture it with a combined effort.





Athlete Of The Year
Kevin "Snake" Flaherty

A discussion of the highlights of the '78 Spartan football season would undoubtedly involve the name Kevin Flaherty. Underrated, due to his size, Flaherty continually bowled over defensive players with his strength and dazzled opponents with his ability to block punts and return interceptions for "6 Spartan Points." He was an obvious all-league selection on defense.

Soccer season resulted in Spartan victory with Maloney and Flaherty laying "heavy hits" on any opponent who had the nerve to challenge the corner fullbacks. Flaherty's team attitude helped the Spartans into the East Bay finals.

At second base, with a .424 average, Flaherty "snaked" his way to an all-league baseball position. As captain of the team, he was largely responsible for the teams success, and perhaps, as a whole, solely responsible for the athletic program's recent success.

1978's Sophomore Picnic was the result of a combined CHS/DLS soph. council effort. The councils produced a very amusing picnic, which was enjoyed by all. A musical mass began the day, and set the tempo for the remainder of the day's festivitites. The class of '80 enjoyed such activities as "tug- of- war", swimming, softball and basketball. The day was concluded with a picnic lunch, which offered everything that could possibly be desired.

Yearbook Staff Does The Job!

In recent years the DLS Spartan yearbook was, to say the least, "poor". Much of the problem was due to a lack of student participation. Editors Rich Grisius and Carlos Martinez recruited a large number of seniors and juniors to work on the book. Tim Sullivan volunteered his services as business manager, while Mike McLean did an outstanding job writing copy with his assistants (Mike Grisius and Gerry Adams).

The '78 photo staff, led by junior Brian Hockel, was obviously the best ever. Matt Wraith, John Ewins and Kevin Shropshire as a whole improved the sport section with their talent and time.

The staff hopes you enjoy the book! Thank You!

In defeat as well as in victory, the cheerleaders, Rally Club and song girls have become an integral part of the De La Salle sports Program, bringing unyielding personal optimism to every event and instilling this personal momentum into the teams, no matter what the score. This enthusiasm permeates the atmosphere whenever the need arises and urges the competitors on to higher plateaus of athletic endeavor.

"We're An American Band"

Although most don't realize it, this was the first year that DeLaSalle has actually conducted a band program. Mr. Steve Rambo's first year as band director resulted in great success. His crew earned a fine reputation with their splendid concerts and excellent performance in the musical. Hopefully the music program will continue to grow with the vigor it showed this past year.

As one of the longest-lived social institutions at DLS, the Strat-O-Matic Baseball Club has a special place on campus. Above and beyond its purpose of providing an authentic baseball league for students, the club offers an atmosphere conducive to friendship and conversation. As moderator, Mr. Mike Still is not only a driving force but a popular leader as well. The fun of competition and the enjoyment of club-sponsored activities guarantee the presence of this club on campus for years to come.

January 20th, 21st and 22nd marked the dates for the 1978 Basketball Marathon for Cystic Fibrosis. Last year's $2300 was easily surpassed by pledges totalling over $3000. The event, held under the auspices of Br. Jerome, had such a large amount of people signing up that two gyms were required for the teams playing in four-hour shifts.

The great success of this fundraiser showed better than mere words what makes DLS a great school.

Class Councils

The frosh class council enthusiastically contributed to the spirit of their class by sponsoring such activities as a car wash, a frosh dance, and the sale of "class of 81" T-shirts. With the encouragement of their moderator, Br. Robb, they succeeded in compiling a moderately large sum of money which will be put to use in the future. Other frosh class functions included a student body dance and a senior-frosh dance.

The sophomore class council, led and encouraged by Br. Richard was useful in the planning and completion of functions such as the sophomore picnic, a dinner dance, and the Soph Hop. The council and their auspicious president, Jim Malan, obtained the money needed to continue sponsoring class functions into next year. The class itself possesses great potential for an active future. This was evident in the amount of work put out by their council.

Up and coming, this year's junior class council has proved its mettle. A wide variety of activities showed a good sense of school spirit. This year's Junior Ring Ceremony was a well-handled celebration of class unity. A class-sponsored dance in December raised a total of $500. Bowling Night, a schoolwide event, was also a financial success. An original idea this year was the Anti-Junior Prom, a theme dance for the juniors which was set up just the opposite as the Junior Prom. Finally, as the culmination of junior year, the Junior Prom (held in Oakland) was an extremely successful enterprise.

Quality has always been valued above quantity in our society, yet rarely have both been achieved at the same time. This year's senior class council has been an example of just such a fulfillment. The senior commitment to frosh orientation was carried out well this year. For the first time ever, off-campus lunch privileges were extended to three days a week. The annual Halloween Party was a well-attended success which gave an opportunity for free expression. This year's Senior Ball, with a very impressive turnout (and a very impressive site) lived up to its reputation as the social event of the season. The annual Senior All-Nighter was a novel idea; a cruise with dancing on a boat in the bay. Last but not least, the ceremonies at graduation created an appropriate atmosphere in which to celebrate the last four years at DLS.

On October 30, 1977, the Christian Brothers received a great honor. Two of the order, Brother Miguel (Francisco Febres Cordero) and Brother Mutien-Marie (Louis Joseph Wiaux), were beatified by Pope Paul VI and received the title "Blessed." A special mass held at DLS was attended by the student body, faculty, Bishop John Cummins, several priests from surrounding parishes and delegates from Ecuador (Br. Miguel's country) and Belgium (Br. Mutien-Marie's country). A sense of spirit and pride permeated what was an important event for our school.

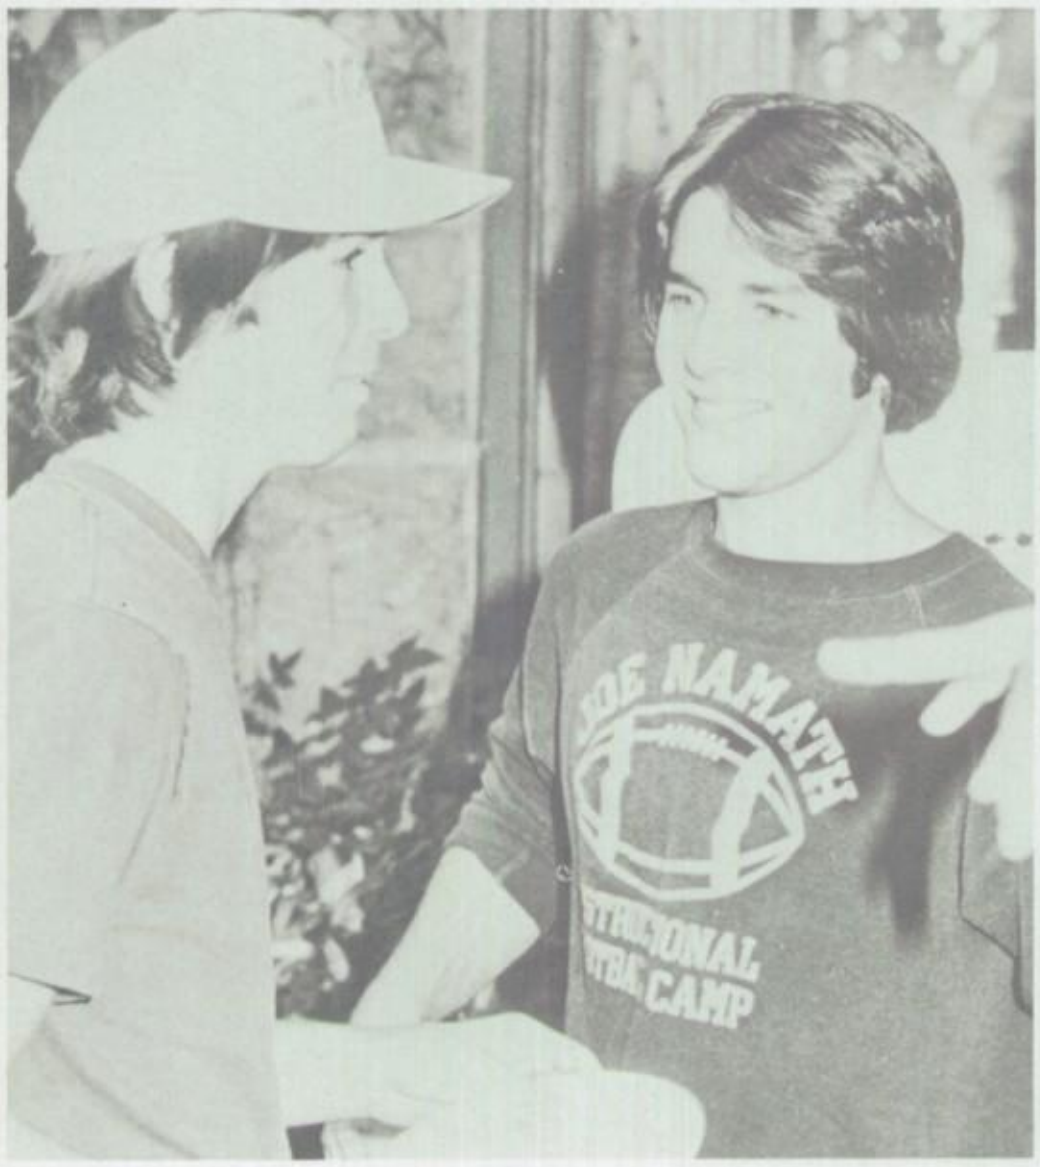
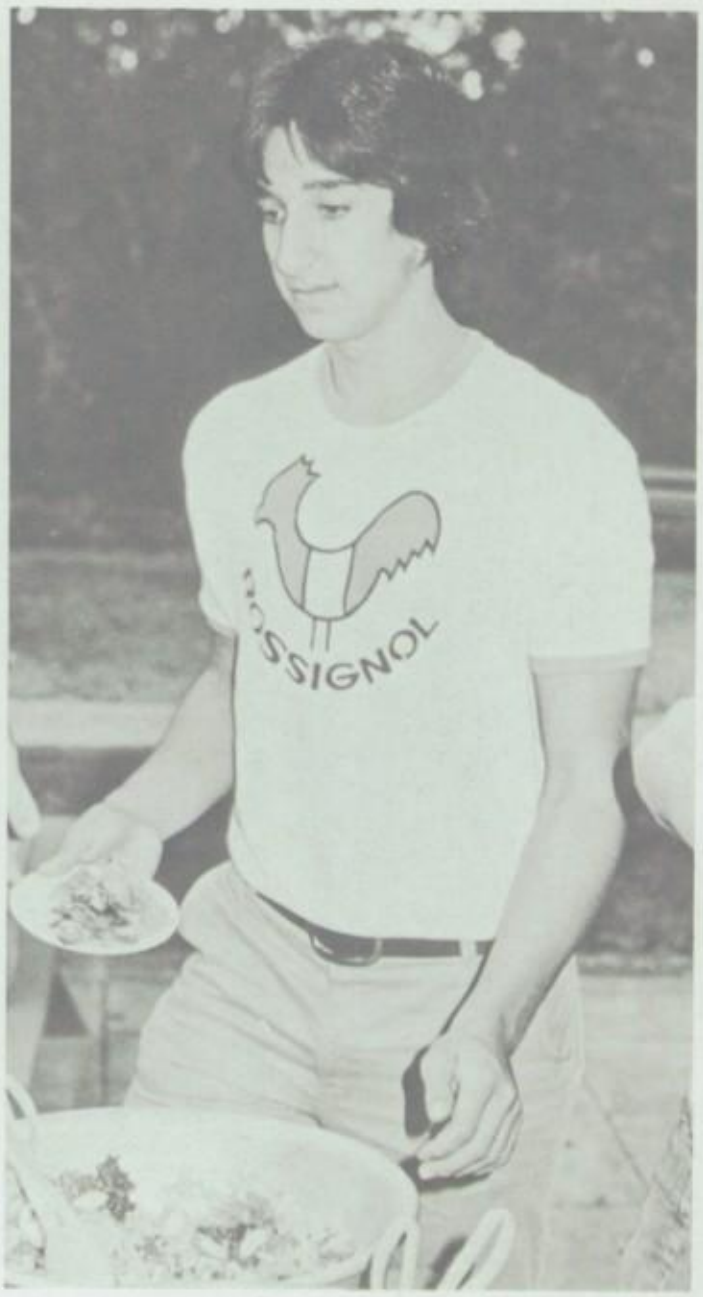
Junior Ring Ceremony
"We Had A Blast!"





The Junior Ring Ceremony has become a traditional experience that all the Juniors remember for many years. The rings exemplify the deep personal commitment made by everyone attending De La Salle and are a trademark of quality and dedication. The sometimes solemn festivities included a celebration of the Mass at which the treasured rings were distributed among the students by the moderator, Br. Robb. The merriment that followed included swimming and volleyball in the special St. Helena atmosphere. As the year flows by and friends part, this day will be remembered.

"Sometimes When We Touch!"

This year's Junior Prom, as last year's, was held at the Oak Knoll Officer's Club in Oakland. The theme was, "Sometimes When We Touch." Providing the music for the evening was "Rainbow's End," a very well-received band. A total of 145 couples were at this very special dance which lasted from 9 pm until 1 am.

Very little profit was made from the Junior Prom as was intended. Br. Robb, Br. Laurence, Mrs. Van Yzerlooy, Sr. Anne Nicholson and the prom committee all felt that the dance should be treated with the importance it deserved. This philosophy resulted in an occasion worth remembering by all those who came.

This is a remarkable book, written by a young girl ... it is one of the wisest and most moving commentaries on war and its impact on human beings that I have ever read. Anne Frank's account of the changes wrought upon eight people hiding out from the Nazis for two years during the occupation of Holland, living in fear and isolation, imprisoned not only by the terrible outward circumstances of war, but inwardly, by themselves, made me intimately and shockingly aware of war's greatest evil—the degradation of the human spirit. At the same time, Anne's Diary makes poignantly clear the ultimate shining nobility of that spirit.

For this reason ... I felt how close we all are to Anne's experience, how very much involved we are in her short life and in the entire world.

—Eleanor Roosevelt

The COMPANY production of DIARY this year powerfully communicated these sentiments, enumerated by Eleanor Roosevelt in her introduction to the English version of "Anne Frank: Diary of a Young Girl".

The cast executed this somber and difficult play expertly; and with tear-jerking results. DIARY was a tribute both to director Patti Stauch and to the talents and abilities of DLS/CHS students of COMPANY.

Enthusiasm, a blend of talent and hard work, and meticulous attention to detail made the 1978 Musical, MY FAIR LADY, a phenomenal event. The annual COMPANY Musical has traditionally rivalled all other school extravaganzas, the Senior Ball, Junior Prom, even Graduation, for being "event-of-the-year", and MY FAIR LADY was a welcome return to that tradition.

The surprise donations of over $5000 in tuxedos and $3000 in furniture, added to enormous expenditures for costumes and properties, the dedicated partcipation of highly talented members of faculty and student bodies of both schools, the scriptwriting artistry of George Bernard Shaw, and a special arrangement with the Tams-Witmark Music Library contributed to the making of MY FAIR LADY into the biggest and best COMPANY production in many years.

The music good, the production numbers dazzling, the comedy exquisite, the drama intense; MY FAIR LADY was the realization of the fullest potential which can be achieved in non-professional musical theater. This widespread opinion was formed, carried on and expressed at every performance, when fullhouse audiences felt themselves transposed to another time and place, to nineteenth century London, to Covent Garden, Tottenham Court Rd. and 27A Wimple St.

MY FAIR LADY was all of this and more. Every performance a sell-out. Every audience clapping in-time to the music between acts. Every performance a standing ovation. Every review ecstatic. MY FAIR LADY was a trubute to the art, and a delight to all those who participated, audience and performers alike.

Class Of "78" Overruns Inept Student Body Once Again! Casino Night A Hit!

De la Salle's class of '78 reclaimed its Founder's Day title by winning for the second consecutive year. The students enjoyed competitive activities such as earth ball, a three mile race, frisbee, slaughter ball and tug-of-war. Other attractions included Mike Clark who chewed, slurped and ate his way to victory in the pie eating contest.

Class Presidents And Executive Council

"Never have so few done so much for so many." Well, perhaps not in the case of this group.

One of the less observable organizations on campus, the Student Council is not as powerful as the class councils. Yet considering their potential they managed to do an excellent job. Casino Night and the Basketball Marathon will stand as two of their contributions to the school.

EXECUTIVE COUNCIL: Bob Moss, Dan Devlin, Matt Van Hoomissen, Fred Skillman, Mike Lynch, Mark de-Bettencourt.

Academic Awards

May 31st was the evening of this year's Academic Awards Ceremony. As De la Salle's outward sign of devotion to the scholarly aspects of school life, the evening was a well-planned feast for those who have excelled in their studies.

Awards were presented along with speeches by Br. Michael, Mr. Sabbagha and the various department heads. After the ceremony there were refreshments and conversation in the cafeteria.

Assemblies And Happenings

This year's list of assemblies gave the students at DLS a good variety of entertainment. Besides the standard rallies and scenes from the musical, there were many unique events. One of these was a special assembly to commemorate the beatification of two Christian Brothers. This was not only attended by students and faculty, but many dignitaries from the order and local churches.

Another special event was the "200 Years of Comedy" presentation put on by KFRC and the Pepsi-Cola Co. Most of the students seemed to enjoy this audio-visual display and accompanying record giveaway.

But the best-received assembly of the year was the one offering three different shows. These were "The Flying Karamazov Brothers" (a juggling act), "The Brass Band" (a comedy group) and two Shakespearean actors. A good time was had by all.

Turn away
From the obvious--
Dig from the unknown
That which is you.
Without reservation
Live,
Live yourself,
As you are,
Unique--
Precious--and
Lovable.
Deviate from the expected.
Reveal yourself
Trust without reservation
Laugh spontaneously,
But with conviction.
Appreciate life
And live every millisecond
With vigor,
For to live passively
Rejects love--laughter--emotions
And especially yourself.

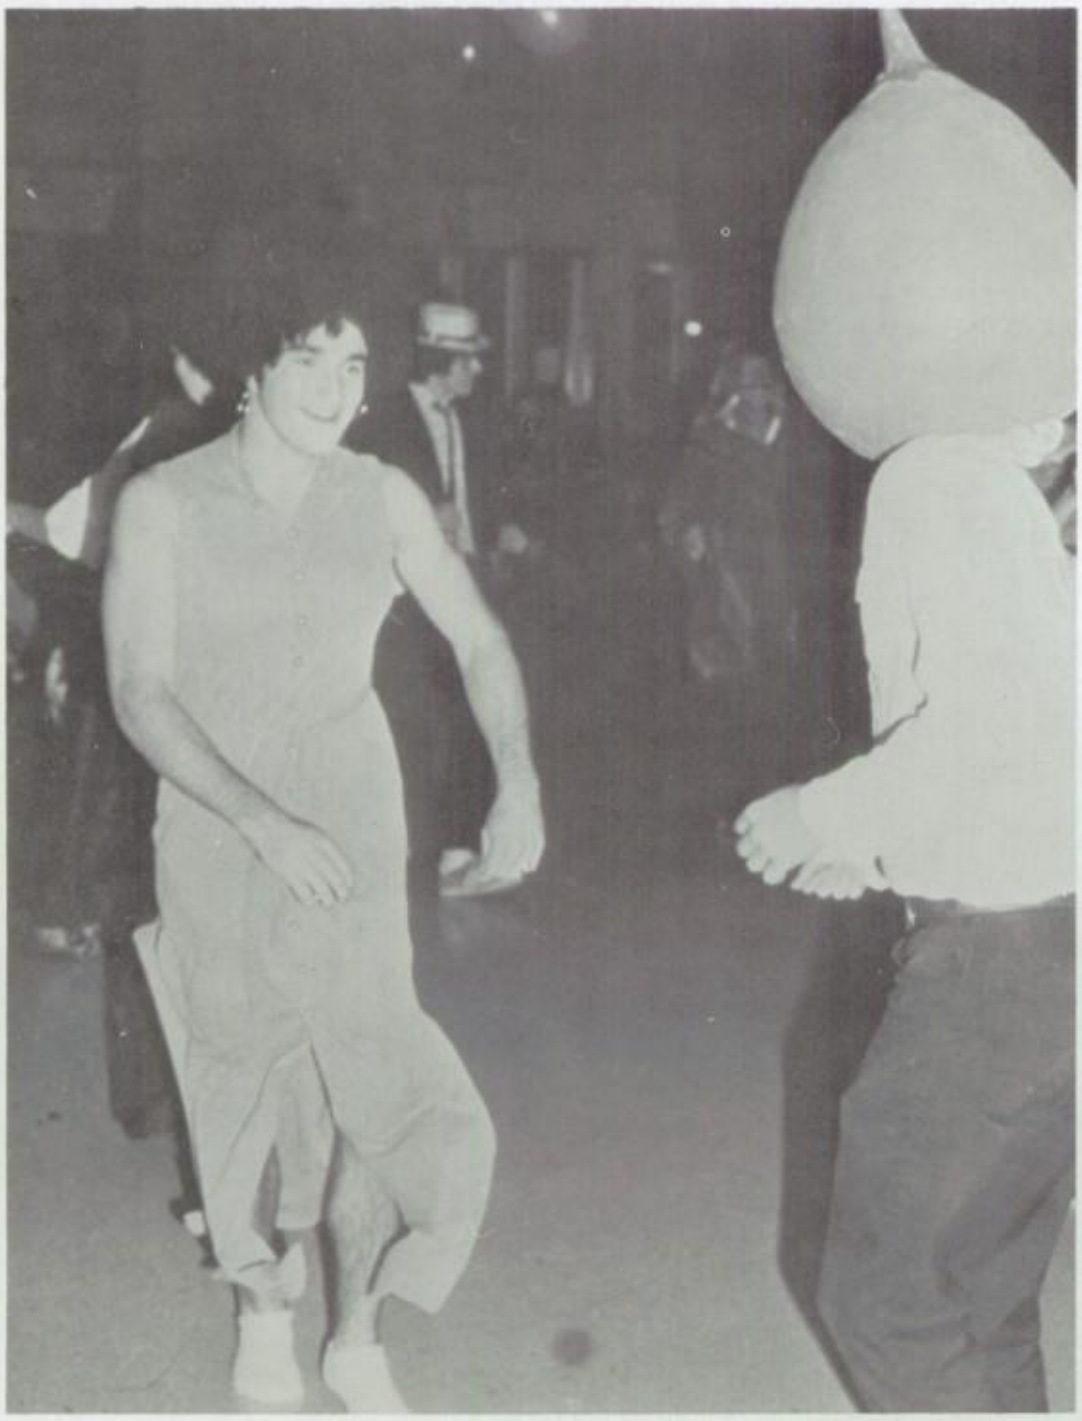
Seniors Ham It Up!



At a time when the streets crawled with freaks and fantasies, De La Salle was the haven for the more imaginative beings. This was evident in the highly acclaimed Senior Halloween Party Costume Contest, featuring Kevin Maloney and Brian Serafino as tintilating cheerleaders, Andy Pease as a hideous wolfman, Nancy Pender as a mature Pebbles (remember the Flintstones?), Pat McKenna as a "very foxy lady", Denise Casper as a green dragon, and Matt Van Hoomissen as a traditional pumpkin.

Myriads of memories will remain with all in attendance of the night the seniors hammed it up!

Great Electric Underground Room

For Student Body President Matt Van Hoomissen the Senior Ball was MORE than a one evening experience.

This year's Senior Ball was held at the Great Electric Underground Room beneath the Bank of America Building in San Francisco. The theme, "Just the Way You Are," set a quiet, low-key mood for the dance. This feeling was continued by "Creations," a very good band which was well-received once they warmed up. Attendance was high and almost no complaints were heard. Indeed, many wished it could have lasted longer. It was with great reluctance that they left after an encore by the band. Special thanks should be extended to those who helped make the Senior Ball a success, especially Mr. and Mrs. Jack O'Leary and Mr. Chuck Lafferty.

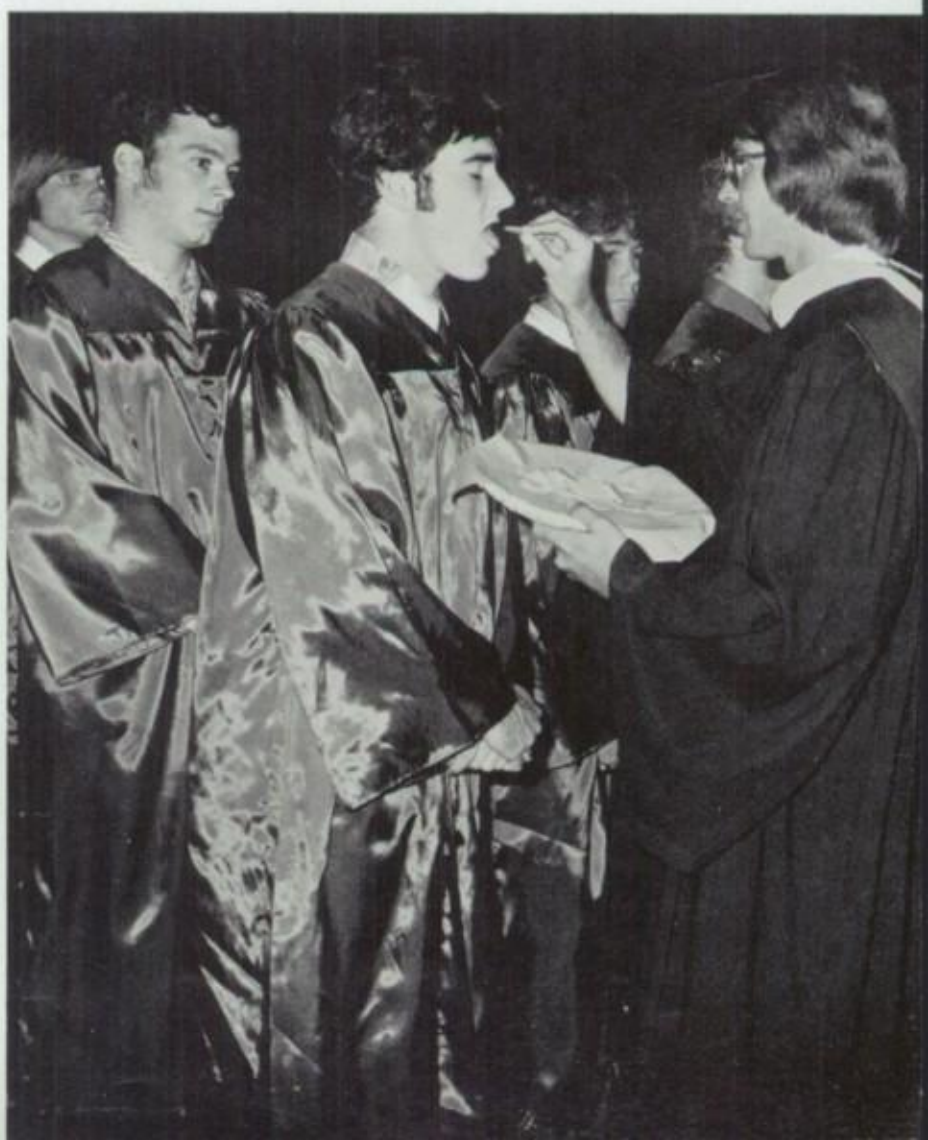
78 Graduation

"It's Not Time To Make A Change"



Life has often been described as a series of steps which we climb. Occasionally we come across a step which marks a transition for us. High school graduation is one of these steps. No four years in our lives have so clearly marked a change from childhood to manhood. From this moment on we become masters of our own destiny.

Graduation ceremonies this year began with the traditional mass and brunch on the morning of Saturday, June 10. An excellent program of entertainment was provided by various seniors. Graduation itself, carried out in the gym, was a fitting commemoration of our four years at De la Salle.

"Give Me Life,
Give Me Peace On Earth"

When I was a child, I use to talk like a child, and think like a child, and argue like a child, but now I am a man, all childish ways are put behind me.

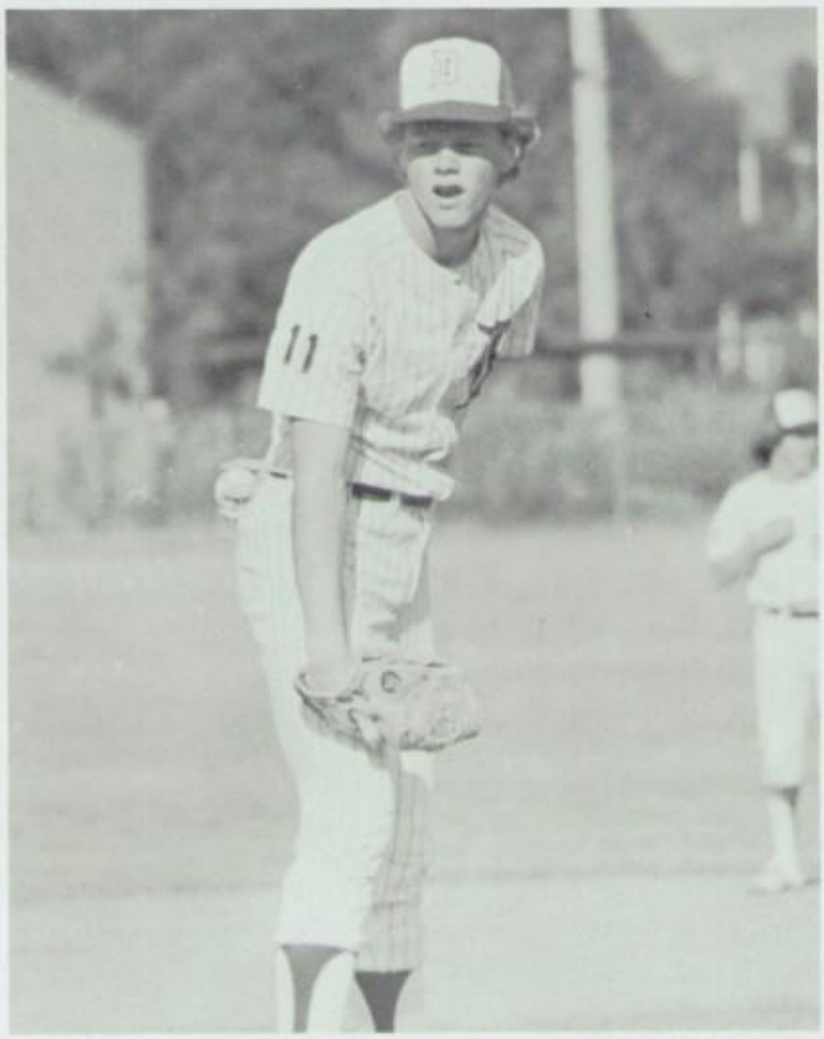
The Class Of Nineteen Seventy Eight

Ad Champion

By selling the most ads of this '78 school year, sophomore Dennis Sweeney won this page. The yearbook staff and the student body would like to thank him for all his time and effort.



No matter where we go in life
or whatever we may do
if there's one thing that we'll always be
it's friends, just me and you.

We were friends in all the bad times
and friends in all the good
we were friends in all the sad times
and we helped each other when we could.

Each had an understanding
for what the other said,
Each understood the reasons
in times when tears were shed.

There are no other friends like us
we're different from the rest
we're two of our own, just me and you
we're friends of the very best!

It's true we'll soon drift far apart
but this friendship will never end
'cause the one thing I'll remember most
is that you'll always be my friend.
